To
Akira Sakai
Chairperson
Japan Association of Drainage and Environment (JADE)

Subject: Approval of Proposed Project Implementation.

Greetings.

This is for your kind information, we are aware of this proposed project "Improvement of behavior in WASH management at urban low- income communities and capacity development of community-based organizations (CBOs) and are pleased to inform you that proposed project has been reviewed and approved for implementation. The JADE will implement the project with direction of Khulna City Corporation & close supervision of LIUPC.

Thanks for your cooperation.

With Kind Regards

Laker Tazul Islam
